

# LICENSE TERMS AND CONDITIONS

This End User License Agreement (the "Agreement") is a binding legal agreement between you and RegnSoft, Inc. (the "Author"). By installing or using Responsive Web Page Generator (DEMO) (the "Software"), you agree to be bound by the terms of this Agreement.

If you do not agree to the Agreement, do not download, install, or use the Software. Installation or use of the Software signifies that you have read, understood, and agreed to be bound by the Agreement. The Author reserves the right to alter this agreement at any time, for any reason, without notice.

## USAGE

This Agreement grants a non-exclusive, non-transferable license to install and use the Software on your computer. You cannot upload the generated DEMO web page to your web host and use it as your web page (You can upload the web page to your web host for test purposes as long as you delete the web page after you have tested the functionality). The Author reserves the right to determine whether the use of the Software qualifies under this Agreement. The Author owns all rights, title and interest to the Software (including all intellectual property rights) and reserves all rights to the Software that are not expressly granted in this Agreement.

## BACKUPS

You may make copies of the Software in any machine readable form solely for back-up purposes, provided that you reproduce the Software in its original form and with all proprietary notices on the back-up copy. All rights to the Software not expressly granted herein are reserved by the Author.

## RESTRICTIONS

You understand and agree that you shall only use the Software in a manner that complies with any and all applicable laws in the jurisdictions in which you use the Software. Your use shall be in accordance with applicable restrictions concerning privacy and intellectual property rights.

### *You may not:*

- \* Use the Software to provide services to others; such as the basis of a hosted web page-building service, or any other services which is a direct competition against The Author;
- \* Distribute derivative works based on the Software;
- \* Reproduce the Software except as described in this Agreement;
- \* Sell, assign, license, disclose, distribute, or otherwise transfer or make available the Software or its Source Code, in whole or in part, in any form to any third parties;
- \* Remove or alter any copyright notices on the Software;

\* Use the Software to generate websites which endorse unlawful manner or for any unlawful purpose

## Definitions

### **Definition of Website**

A "Website" is defined as a single domain including sub-domains that operate as a single entity. What constitutes a single entity shall be at the sole discretion of the Author.

### **Definition of Source Code**

The "Source Code" is defined as the contents of all HTML, CSS, JavaScript, EXE and PHP files provided with or generated by the Software and includes all related image files and database schemas.
